How Can You Participate in ICX?

ICX
is growing and we
are looking for:

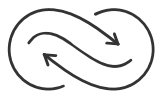

Buyers who
have retail traffic

Sellers who have
direct routes

Become
AN AGENT

ICX gives you a fully functional switching
portal to sell Tier 1 operators routes

Become a
SWITCHLESS CARRIER

ICX's Switchless Platform provided a full suite of automatic Rate Generation, Rate Matching, Rate Comparison, Route Selection features, helping you to save time and money in your buying/selling activities.

Real-Time Reporting.

Every time you have a call that gets sent to your trunk, you can see it via our Live Active Call Report. You can also get an overall summary report for all historical traffic to your own trunk.

Block Unwanted Traffic.

ICX let's you see who is sending you traffic and the corresponding statistics. You can easily disable any buyer who is sending you back traffic.

Visibility to Targets.

As a seller, you get to see targets posted by all our members and let you adjust your rate offer accordingly.

Real-Time Rate Update.

ICX let you update your rate offer to all ICX members whenever needed. All your rates will be reflect in our auto-rate searching in real-time.

Needed Route Report.

You can see the rates that ICX members are buying at and the corresponding traffic volume so you can try to match your rate against the existing routes that have live traffic.

Self Test Report.

You can use the Auto Test to test your own route and send off test report to your buyers.

ICX IS LOOKING FOR AGENT FOR THE EXCHANGE. IF YOU HAVE A GOOD CONNECTION TO BUYERS, YOU CAN MAKE :

Increase your profit with broader products. You get access to all the rate offers from ICX members and formulate your own products to sell to your own clients. ICX provides you a suite of features to build your route, generate sell rate, and send out push/target list to your clients.

Real-Time visibility to commission. You get access all your client traffic in real-time.

On-demand commission payout. ICX pays you commission whenever you want to. There is no minimum payout.

Contact ICX today to become an agent for ICX.

ICX provides everything you need to become a successful carrier.
ICX's switchless carrier portal has all the tools that you ever need to launch a telecom venture:

Terminates to world-wide vendors

Define your own routing

Build your own sell decks

Create your own client

Real-Time CDR

Real-Time Reporting

Billing and Invoicing

Your own dedicated IP address

White Label self-service portal
